## ABOUT US

Dinesh Hardware Mart, established in 1968, led to the formation of KMSI in 1987. KMSI, a steel trading company, deals in various steel types and products. With a focus on providing quality tool steel at reasonable prices, our goal is to keep customers at the forefront. In 2012, KMSI formed a successful joint venture with TG International, China, creating TGK Special Steel. Specializing in high-speed steel, hot work steel, and cold work steel, TGK aims to meet customer needs with quick deliveries and continuous quality improvement.

We provide quality material with timely deliveries, cut to size, and meeting all quality standards. Our robust infrastructure helps reduce customer inventory, and we operate our own testing laboratory. Our commitments include ongoing improvement of our infrastructure to world-class standards, a stocking capacity of over 3000 tons across 3 yards, 10 cutting machines for quick deliveries, an in-house machining shop for value addition, and a responsive team of over 40 people. Future plans include opening warehouses in Delhi, Bangalore, and Chennai.

### STOCKING PROGRAMME SIZE RANGE ( SUBJECT TO GRADE )

ROUNDS	: Dia 1mm to 950mm
FLATS / BLOCKS	: 3mm x 10mm to 500mm x 1500mm
SQUARE	: 4mm to 610mm
SHEETS	: 0.5mm to 10mm

#### HSS:

M2, M35, M2A, T1, T42, 4341, 4241, and many more grades

#### HOT WORK TOOL STEEL

H-13, H11, 1.2714, 1.2367, H21 and many more grades also ESR available

#### COLD WORK TOOL STEEL

D2, D3, S7, 01, A2, S1, Dc53, D6 PMD2, PMDC53 (Also ESR available)

#### TITANIUM

Grade 1, 2, 3, 4, 5, 12 and many more

#### POWDER METALLURGY

TPM 330 , TPM 558, TPM 638, TPM 6711  
Many more grades of HSS & DIE STEEL

#### PLASTIC MOULDS STEEL

1.2311, 1.2316, 1.2083, 1.2085, NAK80 and many more grades (HH and ESR available)

#### STAINLESS STEEL

17-4 PH, 15-5 PH, Inconel, Monel, 440B, 440C, 4400 Series, 300 Series, Duplex etc. (ESR also available)

#### 2% BERYLLIUM COPPER

**SOLE  
DISTRIBUTOR**

Electric Annealing Furnace

Electroslag Remelting

HSS Ingot Casting

## STRENGTH & SOLUTIONS

- Machined and hardened blanks and plates tailored to your specifications are offered for final finishing before use.
- **Extensive stock** with over **10,000 units** across **all sizes** and major grades, simplifying procurement in streamlined processes.
- **One-stop-shop** for all **tool steel** and **alloy/holder steel grades**, eliminating the hassle of sourcing from multiple places.
- **No minimum order quantity** required for standard stocking items.
- **Efficient last-mile distribution** with **door delivery for all materials**, regardless of order quantity, through a reliable transporter.
- **Customized alloy and tool steel grades** available with low **Minimum Order Quantity (MoQ)** for specific quality and mechanical properties.
- **Hardened and tempered alloy and tool steel bars** provided for special applications.

## AREAS OF EXPERTISE AND SUPPORT

- Expertise in Sheet Metal Forming (Steel, Aluminium, Copper)
- Proficiency in Hot, Warm, and Cold Forging (Steel, Aluminium, Brass)
- Specialization in Hot Extrusion (Aluminium, Copper, Brass)
- Capabilities in Die Casting (Aluminium, Zinc, Magnesium, Brass)
- Competence in Plastic Moulding (Thermoforming and Thermosetting)
- Precision Machining of Components

## DIVERSE INDUSTRIES WE ENGAGE WITH

- Automotive Components
- Aerospace Components
- Pharma Machinery and Spares
- Industrial Rolls and Knives
- Cutting Tools
- Hand Tools
- Industrial Pins and Punches
- Toys and Household Goods
- Industrial Machinery and Spares
- Paper and Woodworking Tools
- Plastic Pipes and Accessories
- Farm Equipment
- Defence and Railway Components
- Capital and Process Equipment
